

## Trio end season with individual wins

A TEAM from West Norfolk Swimming Club travelled to Whittlesey to compete in the latest round of the Junior Fenland League.

They faced strong opposition from Peterborough, Boston, St Neots and Huntingdon.

This event came at the end of what has been a long season for all the [swimmers](#).

As always there were some strong, competitive races which brought out the best in the West Norfolk swimmers. Individual wins were gained by Isabel Overton (10/u 50m breast), Nathan Williams (13/u 50m breast) and Luke Bryan (12/u 50m fly).

Several other swimmers recorded personal best times on the night. Valuable experience was gained by all the swimmers, especially those who have only just started their competitive careers.

Many thanks must go to coach on the night Teena Venables and all the volunteer timekeepers, judges and marshalls.

Result: Boston 164 points, Peterborough 160, West Norfolk 120, Huntingdon 99, St Neots 81.

Anyone interested in joining West Norfolk [Swimming](#) Club is welcome to attend the next trials on September 9, at 6.30pm, at Downham Leisure Centre.
