

West Norfolk Swimming Club competed in the 5th round of the Junior Fenland League at Cambridge against teams from Deepings, Huntingdon, March and Cambridge. As expected, Cambridge fielded a very strong team and aided by the home advantage, got off to a superb start winning 13 out of the first 15 races.

West Norfolk swimmers put up their usual determined effort but were only able to record two individual race wins on the night. These came from Isabel Overton in the 10/under 50m breaststroke, and Luke Bryan with a superb swim to take the 13/under 50m fly. The rest of the team performed solidly to give West Norfolk a creditable 3rd place at the finish and take them into the final on October 20th.

Final Result: Cambridge 1st 185 points; Deepings 2nd 132; West Norfolk 3rd 108; March 4th 107; Huntingdon 5th 106
